Please Note Any Damages and/or Comments Below:

DAMAGE CLAIMS AND VALUATION: If a damage is caused by our staff, at our discretion, we will: repair in lieu of replacement or compensate for its depreciated value. By law moving providers are only required to provide valuation coverage for your goods at a rate of \$.60 per pound. For local moves ABC Quality Moving provides full value protection coverage, at no additional upfront cost. There is a \$100 deductible due, payable by client to initiate a cargo or property claim.

All claims must be noted on the contract on the day of the move in order to qualify for full value protection. Claims that are brought to our attention after the move may not be covered at all and if covered will only be covered by the \$.60 per pound valuation.

All claims regardless of full value replacement or \$.60 per pound will be covered at depreciated value only as determined by the industry standard Military/ Industry table of weights and depreciation. ABC Quality Moving reserves the right to use their own vendors for any and all repairs/inspections. For Interstate moves we offer additional valuation options.

I understand that there is a \$100 deductible per claim that is due before initiating a claim with ABC Quality Moving
